Perched on the Tiburon waterfront, Guaymas is ideal location for private events. This award-winning Marin County restaurant offers panoramic views of the San Francisco skyline beyond the beautiful bay. Guaymas provides a festive ambiance and the finest in authentic regional Mexican cuisine.

The dining facilities were specially designed for private parties, fiestas, cocktails receptions, business meetings, anniversaries, weddings and rehearsal dinners. In addition to offering a wide selection of menu options, additional services are included, such as arranging audio/visual equipment, organizing entertainment, assisting in décor options and much more.

### **Location, Location, Location...**

Guaymas is housed in a modern Mexican adobe, with exposed beams, crackling adobe fireplaces and a bustling exhibition kitchen. Depending upon your party, you may reserve our semi-private platform dining room, the upper "Arriba" deck or our private rooftop dining room. You will enjoy spectacular views from all areas of the restaurant.

Raised above the main dining room is the semi-private platform dining. This space is light, airy and inviting with whimsical artwork, colorful stucco walls, an adobe fireplace and a view of the bustling exhibition kitchen where chefs tend the wood fire, making fresh corn tortillas by the dozen. Guests have a choice of leaving the room open or unfurling large canvas partitions to create a more private atmosphere. Accommodates up to 50 seated or 70 for cocktails.

The Arriba Deck is the perfect area for large festive events such as wedding receptions. This outdoor area provides fantastic views of San Francisco, Angel Island, Alcatraz, and the San Francisco bay. Accommodates up to 135 seated or 200 for cocktails.

The Private Dining Room is the ideal setting for intimate private parties and meetings. This room features an adobe fireplace, cantina, floor to ceiling windows and sweeping views. This room can be combined with the Arriba Deck. Accommodates up to 25 guests.
